# ABOUT US

## Trimurti Global

Trimurti Global Trade, headquartered in Pune, Maharashtra, is a dynamic and emerging player in the agro-commodities industry. Established in 2023, the company has swiftly grown to become a leading supplier of premium agricultural products, specializing in Sella Rice, Fresh Vegetables, and Fresh Pomegranate.

Our commitment to delivering quality products sets us apart in the market. Sella Rice, known for its exceptional taste and texture, is sourced and processed with utmost care to meet the highest standards. Our range of Fresh Vegetables showcases the diversity of Indian agriculture, offering customers a variety of wholesome and nutritious options. Additionally, our Fresh Pomegranates, known for their succulence and rich flavour, are sourced from the best orchards to ensure a delightful eating experience.

At the helm of Trimurti Global Trade is Ms. Saithi, the Founder and CEO, whose vision and leadership have been instrumental in the company's success. Under her guidance, the company has established strong relationships with farmers, ensuring a sustainable and reliable supply chain. Ms. Shivale's commitment to ethical business practices and customer satisfaction has been the driving force behind Trimurti Global Trade's growth trajectory.

As we continue to expand our footprint in the agro-commodities market, Trimurti Global Trade remains dedicated to providing superior quality products, fostering sustainable agricultural practices, and contributing to the growth of local communities. Our mission is to be a trusted partner in the global food supply chain, delivering excellence from farm to table.
