Ms. Swati Sakpal is the CEO of the organization under whose headship we are looking forward to scaling new heights in the business of Fresh Vegetables, Indian Spices, Dehydrated Red Onion Powder, Natural Bee Pollen along with commodities such as Jaggery powder, Moringa oil and Oud oil.

Quality Management

Our products will be checked by the quality inspector in compliance with India's strict export standards before supply. With our good understanding of regional and seasonal climatic variations, we are well aware to select top quality products from each area in accordance with the international requirements. The agricultural and market specialists working with us insist upon the optimal picking time and packing requirements of our client countries.

Infrastructure

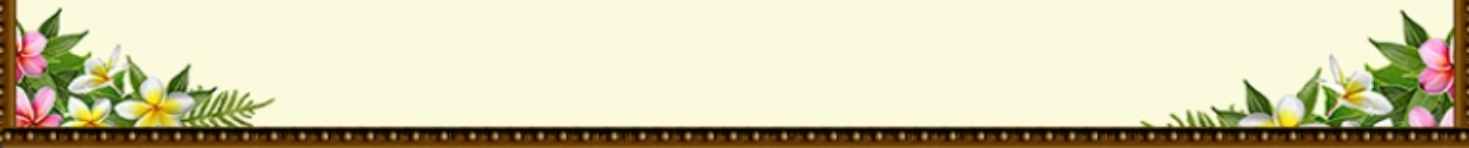

The Manufacturers and Suppliers we collaborate with, we ensure have state-of-the art infrastructure and are equipped with all necessary equipments to carry out their operations efficiently. We ensure to employ facilities for grading, sorting, pre-cooling, cold storage, for export and the local market requirement. We also have trusted pack houses in the export.

Clientele

We are pacing towards building a network of clientele spread all across the globe. Our intention is to make sure that our customers feel confident and happy with our products and services which represent our commitment of serving with high quality standards and reliability.

Quality

The one and only reason we can be considered reliable is our strict emphasis on the quality of our food products. We are highly conscious about your health and offer you quality products. Our products strictly conform to international quality norms and they will be carefully tested before being sent to our clients. The products are full of natural minerals, vitamins and proteins and come with the same delicious taste Mother Nature offers them.
