Vayu Exim & International Trade Services (VEITS) based at Delhi India, is into business of Import Export and Supply Chain (International Logistics) & of various unique products globally. The Company has an envision of ample opportunities within the local market in UAE , Europe , USA and export market globally. The Company has its sister concern in UAE to expedite the purchase & export of various products from their sources. The management team is led by the owner Mr. Vishal Seth who is having 22 yrs. experience in providing logistics consultancy in the import/export line of business. Mr. Mani is leading the Vayu Exim team members as business development head having 10 yrs. experience in this industry. At the moment the company is focussing on expansion whereby its entering into import export and other related manufacturing business.

◆ Mission

VEITS want to be known as importers & exporters of unique products that are on par with international standards. Our mission is to optimise or company's and our partner's value by becoming the leading importer & exporter in the next five years. The Company expects an initial turnover of 2-3 Cr in a year. The company is set to deliver top quality & comprehensive price for all the products of import & export and endeavour to reach top notch of quality maintenance for the top-quality products.

◆ Strategy

The company aims to add value to our unique products by becoming dependable & professional partners for our global partners

- Ensuring purchasing/manufacturing products at the appropriate value.
- Track the volume, qualities & prices of products being treated globally.
- Improving our productive working relationship.
- Developing a successful relationship and working under the guidelines of the concerned authorities in UAE.

◆ Products & Services

With our knowledge of the domestic market, we aim to be a renowned importer & exporter of unique products in the global market. Our Comprehensive product range includes

- Indian Handicrafts
- Textile products (ladies' suits/kurtis/dupattas/strolls)
- Handmade potteries (Plates, bowls, planters, decoration articles)
- Gift articles of wood & timber

◆ Quality Policy & Procedures

The Company aims to achieve and sustain excellence in all their activities. A motivated workforce with essence of pride in the company shall lead to towards total quality. The company's management will follow all the procedures to achieve a consolidated, sustained & independent growth in the international market that ensure long term business success.
