# ABOUT US

Established in the thriving industrial hub of Morbi, Gujarat, in 2022, SI IMPEX has swiftly emerged as a reputable supplier offering a diverse range of products. Under the dynamic leadership of Mr. Sneh Vagadiya, the Director of the company, SI IMPEX has become a trusted name in the industry, specializing in the supply of Vitrified Tiles and a range of eco-friendly biodegradable products.

SI IMPEX prides itself on being a reliable source for high-quality Vitrified Tiles, catering to the ever-evolving demands of the construction and interior design sectors. The company ensures that its tiles are not only aesthetically appealing but also meet rigorous quality standards, providing durability and style for various applications.

In addition to its contribution to the construction industry, SI IMPEX is dedicated to sustainability through its range of eco-friendly products. The company supplies Biodegradable Plastic Plates, Biodegradable Bowls, Clamshells Boxes, CP Round Biodegradable Plastic Plates, and Meal Trays. This commitment to biodegradable alternatives reflects SI IMPEX's awareness of environmental responsibility and its efforts to provide eco-conscious solutions to its customers.

Mr. Sneh Vagadiya's visionary leadership has played a pivotal role in guiding SI IMPEX towards success. His focus on innovation, quality assurance, and customer satisfaction has positioned the company as a reliable partner in both the construction and eco-friendly product domains.

SI IMPEX envisions a future where it continues to be at the forefront of delivering quality and sustainable solutions to its diverse clientele. The company's profile is marked by a blend of innovation, environmental consciousness, and a commitment to excellence, making it a noteworthy player in the business landscape of Morbi, Gujarat.
