

Since 2022, Realms Enterprises is engaged in Import and Export as a trader and has a vision of becoming a ONE-STOP-SOLUTION on global bases by 2028 and serve the country's GDP.

# ABOUT US

Realms Enterprises, an entity based in Mumbai, Maharashtra, currently serving the global clients through its presence in Maharashtra, Gujarat, Rajasthan, Madhya Pradesh, Uttar Pradesh and Chhattisgarh. Shri Kushal Panchal, the promoter and owner of this blossoming and globalizing company has set his journey through Indian Stock Market activities in 2006, rising to a professional level as Portfolio Manager at a renowned entity in 2010. In 2012, after serving some reputed clients, Mr. Panchal started practicing his own Portfolio Management Service for next couple of years and came across many other prospects, needs and requirements of the client, when he decided to start his journey as ONE-STOP-SOLUTION for his client and got an idea to start REALMS Enterprises in 2015. Since the inception, Realms enterprises has served and transformed from a Financial Advisory company to Inland Trading into various commodities to Liasoner and Fund raiser in 2017 and 2020. Since 2022, Realms Enterprises is engaged in Import and Export as a trader and has a vision of becoming a ONE-STOP-SOLUTION on global bases by 2028 and serve the country's GDP.

Realms Enterprises, established in the bustling city of Mumbai, Maharashtra, in 2015, has swiftly emerged as a reputable exporter and supplier of a diverse range of industrial products. Under the visionary leadership of Mr. Kushal Panchal, the company has carved a niche for itself in the global market by offering a comprehensive portfolio that encompasses Aluminum Products, Battery Scrap, Biofuel Products, Coal Products, Copper Scrap, Electronics Scrap, Gypsum Products, Iron Ore Products, Petroleum Products, Plastic Scrap, and more.

The core strength of Realms Enterprises lies in its commitment to quality and reliability. The company prides itself on sourcing and delivering high-grade industrial materials to meet the diverse needs of its clients across the globe. From essential metals like aluminum and copper to energy resources such as coal and petroleum products, Realms Enterprises ensures that each product adheres to international standards.

The company's dedication to sustainability is evident in its offerings of biofuel products and recycled materials like battery scrap and electronics scrap. Realms Enterprises recognizes the importance of responsible sourcing and environmental stewardship in today's global marketplace.

Realms Enterprises places a premium on customer satisfaction, offering tailored solutions to meet the unique requirements of its clients. The company's efficient supply chain management, coupled with a focus on transparent and ethical business practices, has earned it the trust of partners and customers alike.

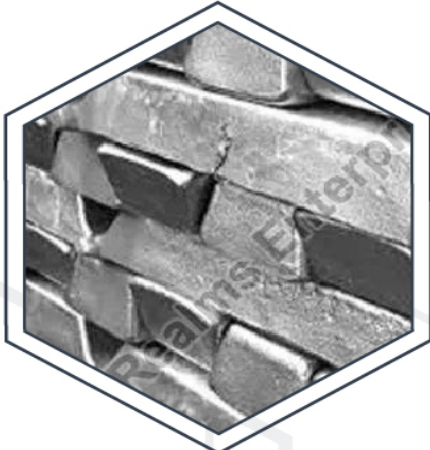

As a dynamic player in the export and supply industry, Realms Enterprises continues to expand its presence, constantly adapting to market dynamics and evolving customer needs. With a forward-looking approach, the company remains committed to delivering value, quality, and reliability across its diverse product range, thereby solidifying its position as a trusted partner in the global industrial landscape.
