Established in 2022, we at Magna Mater Eco Products Pvt. Ltd. are a renowned Manufacturer, Supplier, Exporter and Trader of the best quality of cutting-edge eco-friendly products derived from corn starch. We have expertise in compostable bags, transparent garment bags, compostable garbage bags, plastic carry bags, jewellery boxes, compostable films, compostable cutlery, compostable tapes, white biodegradable compostable granule, compostable bar wrappers, compostable side gusset pouches, and compostable pizza tripod ands. All the products are highly appreciated for their quality.

Magna Mater Eco Products's innovative technology and its reliable effort towards keeping the earth greener make it the highest-ranked maker of compostable bags. Our products are now available for end users, and we want to promote to everybody the possibilities of cutting down on products that have higher carbon footprints and entrusting a non-toxic, safe choice to plastic.

Our Quality

Our mission is to boost the availability and knowledge of compostable products and to initiate the introduction of the introduction of new such products into the market. We will give you compostable bags in every best size as per the needs of home-based and industry-based buyers. The cost of the bags is simply matchless in the market.

Based in Kolkata, West Bengal, India, the company is professionally managed by Mr. Shubham Agarwal, a partner of the company. We are accepting the order and making the delivery worldwide.
