## ABOUT US

Ashva Donkey Farm, located in Surat, Gujarat, has been a pioneering force in the industry since its inception in 2022. Under the dedicated ownership of Mr. Paresh Kanani, the company stands as a reputable manufacturer and supplier of premium Donkey Milk Powder and Donkey Milk, as well as offering female donkeys for sale.

Our commitment to quality is reflected in the purity of our products, which are derived from the finest breed of donkeys. We take pride in maintaining high standards throughout the production process, ensuring that our customers receive products of exceptional quality. The donkey milk, known for its numerous health benefits, is carefully processed to retain its natural goodness.

At Ashva Donkey Farm, we understand the importance of providing products at reasonable prices without compromising on quality. Our competitive and convenient pricing sets us apart in the market, making our offerings accessible to a wide range of consumers. We believe in transparency and integrity, and our customers can trust that they are receiving genuine, high-quality donkey milk products.

Customer satisfaction is our top priority, and we prioritize timely, safe, and fast delivery to ensure that our products reach our customers in pristine condition. Our efficient logistics and delivery system further enhance the overall experience for our valued clients.

Choose Ashva Donkey Farm for a reliable source of premium donkey milk and donkey milk powder, where quality, affordability, and customer satisfaction are at the core of our business philosophy.
