## ABOUT US

M.A Handicrafts was incorporated in the year 2008. This concerns a Delhi-based distinguished manufacturer and trader. Throughout these company-building years, the concern has built a tough reputation for its high quality and excellent customer service. With a commitment to improving customers' lives, M.A Handicrafts today stands as one of the trusted names in the Health Care and Mobility Aids segment.

### Our Speciality

Specializing in Rehabilitation splint, walking sticks, traction kits, and many other healthcare and mobility aids, M.A Handicrafts brings innovative solutions to the market to increase mobility and improve the quality of life for the users. Every product is intricately designed, keeping in view the functionality, comfort, and durability of the products for customers.

### Our Quality

The company is devoted to maintaining the highest quality standards on every product. Using quality raw materials in conjunction with very strict manufacturing processes, M.A Handicrafts ensures that every piece will meet all customers' rigid requirements. The company ensures quality control right from its operations; every item is meticulously inspected before it is introduced into the market.

### Customer Satisfaction

Customer satisfaction is something M.A Handicrafts takes pride in. It understands the diversified needs of every client and caters to those needs with made-to-order solutions, giving premium services in terms of after-sales support. This customer-oriented attitude is evident through a service package including product customization, delivery at the right time, and always available customer care to help and assist. Because of this strict adherence to the requirements of customers, M.A Handicrafts has built up a wide clientele and is known for dependable service.
