Globe Capacitors Pvt Ltd (GCPL) is the largest producer of MPP film AC motor capacitors in India. With over four decades of expertise, our production has grown from 1 million capacitors in 1978 to 75 million capacitors in 2022.

We have 2 capacitor manufacturing facilities & 1 capacitor film metallizing division in Faridabad, an established industrial township near New Delhi, India. The facilities cover an air-conditioned area of 140,000 square feet & a strong workforce of 1200 employees. Globe Capacitors has all the international approvals in terms of the performance and safety of its products. The facilities partially run on solar power & we have an installed solar capacity of 100 kWh. We strongly believe in manufacturing with responsibility.

With an established presence in the sector, GCPL products are widely used in household appliances in India, the United States, Europe, the Middle East, the Far East, and South America.

Our manufacturing equipment is imported from Germany, Korea, China, and Japan. Our testing lab is recognized for TMP (Test at manufacturing premises) by TUV Rheinland.

### CUSTOMER SATISFACTION

Since its inception in 1978, GCPL began catering to companies with an excellent reputation for quality & reliability. Our products conform to this reputation by meeting high-quality standards while we offer outstanding services. We have been conferred as “Best Electrical Vendor” by various distinguished MNCs. All our customers are within their yearly quality targets and we are continuously improving in terms of performance. The field failure rate is far below the industry standard.

### TECHNICAL STRENGTH

- We bring in more than four decades of technical expertise & remarkable service. GCPL has a robust workforce within each core function of manufacturing, quality, production, inspection, procurement, marketing & servicing.
- Market requirements are clearly understood along with providing necessary documents to help meet customer expectations. We help our vendors improve quality with progress plans & interaction at all stages.

### MARKET

GCPL is known for its excellent quality, performance, service, innovation & timely delivery. We have adapted ourselves to cater to a wide product mix across industries such as:

- Household Appliances (air conditioners, water lifting pumps, motors, dish washers, washing machines, refrigerators, microwave ovens, fans, lighting, etc.)
- Energy Improvement (UPS, invertors, green energy, power factor improvement)
- Industrial Controls
- Auto Industry
- Illumination
- Communication

Globe Capacitors products are distributed all over the world today. Currently over 50% of our capacitors by value are earmarked for exports to North America, Europe, South East Asia, Middle East, South America and other regions. There are many international and multinational Brands who are using Globe Capacitors products as on date.

Nature of Business  
Manufacturer, Exporter, Supplier

GST No  
06AAACG3361M1ZL

Annual Turnover  
Rs. 320 Crore Approx.

Legal Status of Firm  
Partnership

Seatron 120/150 MFD 230 VAC AC Motor Start Capacitor

Seatron 150/200 MFD 230 VAC AC Motor Start Capacitor

Seatron 60/80 MFD 230 VAC AC Motor Start Capacitor

1.2 MFD 450 VAC MPP Capacitor

12 MFD 250 VAC Box Type MPP Capacitor

2 MFD 440 VAC PP Cane SH MPP Capacitor

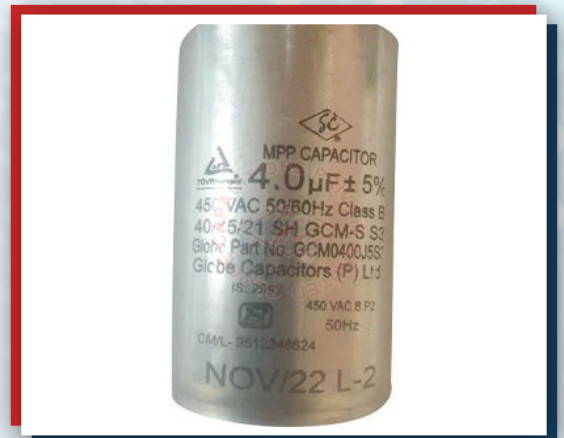

2 MFD 450 VAC MPP Capacitor

20 MFD 450 VAC MPP Capacitor

35 MFD 250 VAC Al Cane SH MPP Capacitor

4 MFD 450 VAC Al Cane MPP Capacitor

40 MFD 450 VAC MPP Capacitor

45 MFD 450 VAC Class-B MPP Capacitor

5 MFD 250 VAC MPP Capacitor

50 MFD 440 VAC MPP Capacitor

8 MFD 440 VAC MPP Capacitor

8 MFD 440 VAC Studs MPP Capacitor

80 MFD 440 VAC Al Cane MPP Capacitor

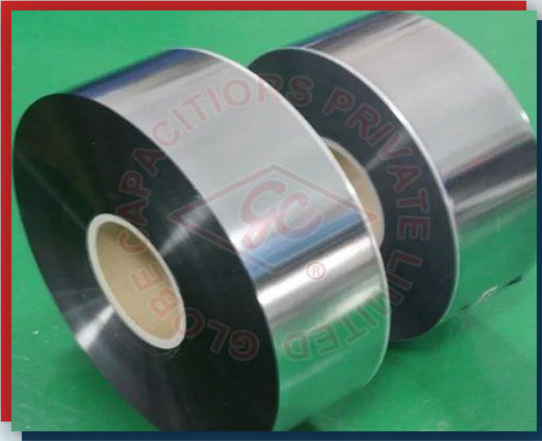

90 MFD 440 VAC Al Cane MPP Capacitor

GCS-OD Oval Dual MPP Capacitor

GCS-RS Single Round MPP Capacitor

MPP Film

Tantalum Capacitor

### Who We Are

Globe Capacitors Pvt Ltd (GCPL) is the largest producer of MPP film AC motor capacitors in India. With over four decades of expertise, our production has grown from 1 million capacitors in 1978 to 75 million capacitors in 2022.

### Customer Satisfaction

Since its inception in 1978, GCPL began catering to companies with an excellent reputation for quality & reliability. Our products conform to this reputation by meeting high-quality standards while we offer outstanding services.

### Technical Support

We bring in more than four decades of technical expertise & remarkable service. GCPL has a robust workforce within each core function of manufacturing, quality, production, inspection, procurement, marketing & servicing.
