Welcome to AB Sea Container, where we go beyond the ordinary to explore a realm of possibilities. We pride ourselves on being more than just a container company – we're your comprehensive solution for transforming rugged, refurbished shipping containers into versatile spaces that cater to your unique requirements. Whether you desire a modular office, a cozy porta cabin, or a custom-designed home, we're dedicated to delivering a solution that blends reliability with innovation.

Our Commitment to Quality:

At the core of our ethos is an unwavering commitment to exceptional quality. We meticulously source ISO-certified, high-grade materials, strictly adhering to international standards (ISO 668 & ISO 1496) at every stage of our production process. Our state-of-the-art facility, coupled with dedicated craftsmanship, ensures that each container we deliver is not just a product but a testament to enduring quality.

Fulfilling Your Vision:

Beyond durability, we prioritize intelligent usability and design. Our team of skilled engineers collaborates with you to bring your vision to life, whether it's a contemporary office space equipped with modern amenities or a modular site office for streamlined project organization. Our design expertise ensures that every space adheres to international building codes, and with tools like AutoCAD, SketchUp, and rendering software, you can visualize your creation before it becomes a reality.

Global Presence, Local Focus:

Strategically located in Dadri, our operational port terminal gives us a competitive edge in efficient transportation. We utilize rail transport for direct, secure delivery throughout India and beyond. This commitment to global service is balanced by a deep understanding of local needs. We offer competitive prices and custom-built portacabins tailored to the Indian market, making your dream space both accessible and affordable.
