Founded in 2021 and headquartered in Jharsuguda, Odisha, INNOFAB INDUSTRIES PRIVATE LIMITED is a dynamic company dedicated to providing innovative solutions in the field of cooling and storage. As a versatile manufacturer, exporter, supplier, and trader, the company specializes in Fiber Air Coolers, Stainless Steel Air Coolers, and Stainless Steel Storage Racks.

◆ Our Vision

Under the visionary leadership of Mr. Vedant Agrawal, the Founder and CEO, INNOFAB INDUSTRIES PRIVATE LIMITED is guided by a commitment to innovation, quality, and customer satisfaction. Mr. Agrawal's leadership has been instrumental in shaping the company's trajectory towards becoming a trusted name in the industry.

◆ Our Product Range

The company's product portfolio includes a diverse range of cooling solutions, such as Fiber Air Coolers and Stainless Steel Air Coolers, designed to provide efficient and reliable cooling in various settings. Additionally, INNOFAB offers Stainless Steel Storage Racks, addressing the need for organized and space-efficient storage solutions.

◆ Our Mission

INNOFAB is at the forefront of innovation in the cooling and storage industry. The Fiber Air Coolers and Stainless Steel Air Coolers are crafted with cutting-edge technology to ensure optimal cooling performance. The Stainless Steel Storage Racks are not only durable but also designed with a keen focus on maximizing storage space while maintaining a sleek and modern aesthetic.

◆ Our Reach

With a commitment to meeting the evolving needs of a diverse clientele, INNOFAB has expanded its operations to cater to both domestic and international markets. The company's products have gained recognition for their quality, efficiency, and innovative design, making INNOFAB a preferred choice for customers worldwide.

◆ Our Approach

INNOFAB INDUSTRIES PRIVATE LIMITED places a strong emphasis on customer satisfaction. The company is dedicated to providing prompt and reliable services, ensuring that clients receive products that meet and exceed their expectations. The customer-centric approach is reflected in every aspect of the company's operations, from product design to after-sales support.
