# About Us

Nisarg Biofuel Ptv.ltd establishes roots in the bustling Gujarati heartland of Morbi, where innovation is embraced by the sun. As a leader in the field of biomass briquettes and biofuel solutions, we were founded with a strong dedication to environmental care.

## CREATING THE ENERGY OF TOMORROW PRESENTLY:

We are experts in the supply and trading of biomass briquettes, biofuel briquettes, and biomass fuel briquettes in the vibrant centre of renewable energy. Our continuous commitment to creating an environmentally responsible tapestry for future generations is shown in every product we sell. We at Nisarg Biofuels Pvt Ltd work to create a greener legacy in addition to providing electricity.

## CONNECTING TRADITION AND INNOVATION:

Our narrative is crafted using a blend of modern technology and tradition. We use our skills as trained artisans to shape biomass into effective briquettes, utilising the power of nature without sacrificing efficiency. It is a symphony of sustainability and inventiveness, not simply fuel. Our goods shine a light on the way to a cleaner, greener future.

### The Nisarg Biofuel Ptv.ltd:

We march forward in the ever-changing field of renewable energy with a pledge to ignite more than simply fuel. We promise to be the change agents that encourage businesses and households to adopt a sustainable rhythm. Our biomass briquettes are more than simply goods; they are a living expression of our dedication to a world full of green life.
