The Chouhan Donkey Farm

About Us

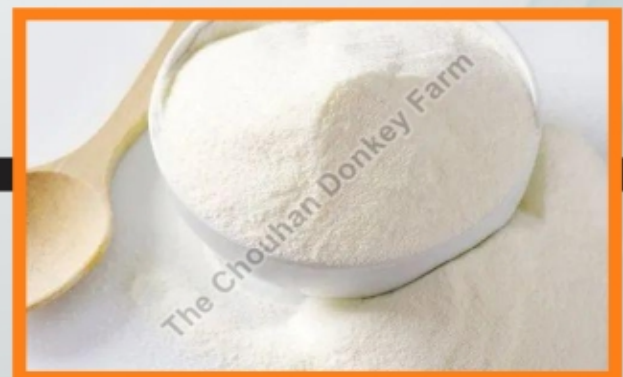

Nestled in the heart of **Udaipur, Rajasthan, The Chouhan Donkey Farm** is dedicated to the manufacture and supply of high-quality Donkey Milk and Donkey Milk Powder. Established in 2024, The Chouhan Donkey Farm places animal welfare at the forefront of its operations.

Our donkeys are raised in an environment that adheres to strict ethical standards, ensuring stress-free living, balanced nutrition, and regular veterinary care. These practices not only ensure the animals' well-being but also contribute to the superior quality of the milk they produce.

Our milking process is designed to maintain the highest levels of hygiene, ensuring that every batch of our donkey milk and donkey milk powder is pure and safe. We offer both fresh donkey milk for those who prefer it straight from the source and donkey milk powder for those seeking a more convenient option with a longer shelf life. The powder is produced using a gentle drying method that preserves the milk's essential nutrients, making it an excellent choice for health-conscious consumers.

The Chouhan Donkey Farm, under the leadership of founder **Mr. Vansh Raj Chauhan**, is dedicated to delivering high-quality donkey milk products to a broader market. We believe in the health benefits of donkey milk and are committed to making it accessible to a wider audience.

By focusing on ethical farming practices, strict hygiene, and innovative processing, we are establishing ourselves as a leading supplier of donkey milk products in the region. Our mission is to share the unique benefits of donkey milk with the world, and we continuously work to expand our reach to meet growing demand.
