# TYE-DYE

## 8. DTF Printing Cost

The printing cost is **60paesa** /square inch (Including fusing).

For Example if your design dimension is 12inch (width) and 8inch (length). The cost of printing of that design will be  **$12 \times 8 \times 0.6 = 58$  rs.**

### Why Choosing us ?

We use official and premium quality inks that keep the design more durable & long lasting. Our prints easily lasts UPTO 40-50 washes.

$$\text{Total ( front + Back )} = 58 + 11 \\ = 69\text{₹}$$

$$12*8*0.6 = \text{₹}58$$

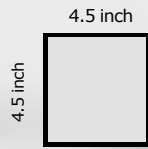

$$6*3*0.6 = \text{₹}11$$

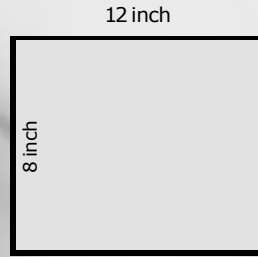

## Small Front

## A4 Print

Rs. 15

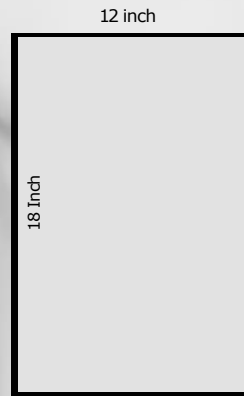

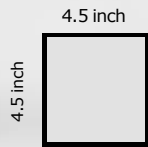

Rs. 60

## A3 Back + Small Front

Rs. 120

## Points To Note:

A4 Printing

(8.3 x 11.7) = 60₹

A3 Printing

(11.7 x 16.5) = 105₹

A1& A2 Printing

(width more  
than 12 inch) = 150-250₹

**Please Note:** This is just **estimated cost**. Your A3 print can be 110rs either. Final quote to be done once you confirm your mockup/design.

If you are planning to order less than 30 pieces as sample , the printing charges & product charges **may not be exact**.

## Points To Note:

- Final rate may vary upon your mockup/design size.
- There will be no extra charges for neck labeling (if printing) .
- We need high quality, transparent PNG image for your designs. If the image shared by you is having low quality, Machine will print same thing & we won't be responsible for that.  
300 DPI is recommended.

**Please Note:** If you are planning to order less than 30 pieces as sample , the printing charges & product charges **may not be exact.**
