ABOUT US

Trinetram Corporation, your trusted partner for sourcing high-quality agricultural products and packaging solutions. Founded in 2018 by Mrs. Dipeeka Mithun Pardeshi, Trinetram Corporation is a prominent supplier, exporter, importer and service provider based in Solapur, Maharashtra. We specialize in providing a diverse range of products, including fresh fruits such as black grapes, green grapes, and green Cavendish bananas, as well as essential packaging materials like jute gunny bags, red mesh bags, and pink and red onions.

At Trinetram Corporation, we are committed to delivering excellence in every aspect of our business. Our journey began with a vision to bridge the gap between farmers and consumers, ensuring that premium-quality agricultural products reach markets efficiently and sustainably. With a strong network of trusted suppliers and farmers, we take pride in offering fresh and delicious fruits that meet the highest standards of quality and freshness.

In addition to our extensive range of fruits, Trinetram Corporation also specializes in providing reliable packaging solutions to meet the diverse needs of our customers. Our jute gunny bags, red mesh bags, and other packaging materials are designed to protect and preserve the freshness of perishable goods while also being environmentally friendly and sustainable.

At the heart of Trinetram Corporation is a commitment to integrity, transparency, and customer satisfaction. We understand the importance of building strong relationships with our clients and suppliers, and we strive to exceed expectations with every interaction. Whether you're a wholesaler, retailer, or distributor, you can trust Trinetram Corporation to deliver exceptional products and service tailored to your specific needs.

As a responsible corporate citizen, Trinetram Corporation is dedicated to sustainability and social responsibility. We actively support initiatives aimed at promoting fair trade practices, environmental conservation, and community development in the regions where we operate. By prioritizing ethical sourcing and responsible business practices, we aim to make a positive impact on both people and the planet.
