Emerging in 2023, Donkitfarms, based in Hyderabad, Telangana, proudly stands as an exporter, supplier and trader of Donkey Milk and Donkey Milk Powder. Led by the vision of founder Mr. Manoj Raju Kalidindi, we are dedicated to bringing the unique benefits of this ancient superfood to a global audience.

Donkey milk has been revered for centuries for its exceptional properties. Rich in essential nutrients like calcium, vitamins, and minerals, it offers potential health benefits for various needs. We source our milk from healthy, ethically-treated donkeys raised on sustainable and humane farms. Our meticulous processes ensure the milk's purity, potency, and optimal freshness.

Our offerings include:

- ◆ Donkey Milk Powder: Made from flash-frozen, high-quality donkey milk, this convenient powder retains its vital nutrients and dissolves easily for versatile use.
- ◆ Fresh Donkey Milk: Experience the raw goodness of pure donkey milk, shipped fresh and chilled under strict temperature control.

Donkitfarms prioritizes:

- ◆ Quality and Purity: We adhere to rigorous quality control measures at every stage, from farm to product, ensuring the highest standards.
- ◆ Sustainable Practices: We partner with farms committed to animal welfare and environmentally responsible methods.
- ◆ Innovation and Research: We actively explore the potential of donkey milk and its derivatives, contributing to scientific advancements.
- ◆ Customer Satisfaction: We believe in building trust and exceeding expectations through transparency and personalized service.
- ◆ Donkitfarms is more than just a company; it's a mission to unlock the natural potential of donkey milk. We invite you to explore the possibilities and experience the unique qualities of this remarkable product.
