Cart Wood Global Private Limited is a Meerut-based exporter, supplier and trader of cricket equipment at market-competitive rates. We improve the quality of our products continuously with remarkable features that increase the demand in the market. We supply superior products in different patterns with several brands.

We are supplying customized cricket equipment to customers that are durable, quality, and in different sizes as well. We have achieved immense customers within a short period. We are known for offering quality sports products that are available with proper packaging. We are known for procuring supreme quality products to the customers.

## ● Product Assurance

We are exporting cricket equipment like stumps, batting gloves, pads, keeping pads, Kashmir willow bats, and English willow bats. Our company is offering a wooden sofa, almirah, carrom board, and basketball panels. We understand the demand of the customers and supply quality products to them. We improve the quality of products in various patterns.

Our products are manufactured as per the standards and available at budget-friendly rates. Our products are tested on several parameters before delivering them to the customers.

## ● Why Us?

Our products are durable, affordable, and customized as per customer needs. Our products are timely delivered and known for quality products. Our products are available in different sizes.
