About Us

M. B. International, your trusted partner for the export and supply of high-quality ores. Established in 1970 by Mr. Shreyance Jain, we are proud to be based in the vibrant city of Pitampura, Delhi.

At M. B. International, we specialize in the export and supply of a wide range of ores, including copper ore, lead ore, magnesium ore, and tin ore. With decades of experience in the industry, we have built a reputation for reliability, integrity, and excellence in every aspect of our business.

What sets us apart is our unwavering commitment to quality and customer satisfaction. We work closely with trusted suppliers and partners to ensure that our products meet the highest standards of purity and consistency. Whether you're a manufacturer, trader, or distributor, you can trust us to deliver the ores you need, when you need them.

At M. B. International, we understand the importance of sustainability and responsible sourcing. That's why we take great care to ensure that our operations are conducted in an environmentally conscious manner, minimizing our impact on the planet and supporting sustainable mining practices wherever possible.

Customer service is at the heart of everything we do at M. B. International. We pride ourselves on our responsive and attentive approach, working closely with our clients to understand their needs and provide tailored solutions that meet their specific requirements. Whether you're looking for a one-time shipment or a long-term supply partnership, we're here to help you every step of the way.
