Established in 1999, AXN Ortho is a trusted and leading organization engaged in the manufacturing and supply of a comprehensive range of orthopedic instruments. Our product portfolio includes Orthopedic Retractors, Orthopedic Forceps, Orthopedic Handles, Orthopedic Cutters, Bone Instruments, K-Wire Instruments, Instrument Sets, 3-in-1 Ortho Pliers, Double Ended Cerclage Wires, Herbert Screw Sets, Plaster Saw Engel, Plate & Rod Benders, Flexible Reamers, Plaster Spreaders, Cobb Elevators, and Condylar Clamps. These products are widely appreciated in the market for their superior quality, durability, and precision.

Under the strong leadership of our mentor, Mr. Azharuddin, AXN Ortho has achieved significant growth and success. His exceptional management skills, problem-solving ability, and continuous motivation have been instrumental in driving the company forward.

Recognized as one of India's premier orthopedic healthcare solution providers, AXN Ortho is committed to delivering world-class medical equipment and surgical instruments. We specialize in high-quality trauma implants, interlocking nails, bone plates, and advanced external fixation systems. Backed by modern manufacturing facilities and strict quality standards, our products ensure precision, biomechanical safety, and innovation. At AXN Ortho, we aim to empower healthcare professionals with reliable tools to restore mobility and enhance patient care with confidence.
