Elangovan Oil Mill is a leading supplier and manufacturer specializing in the production of high-quality groundnut oil and cake. With a relentless commitment to quality, sustainability, and innovation, we strive to deliver products that not only meet but exceed the expectations of our customers worldwide.

Our Quality approach

We recognize the importance of superior raw materials in crafting exceptional products. Our groundnut oil is derived from the finest-quality peanuts sourced from trusted growers who adhere to stringent agricultural practices. Through careful selection and processing, we ensure that our groundnut oil retains its natural flavour, aroma, and nutritional benefits, making it a preferred choice for discerning consumers and culinary professionals alike.

Our product range

Our premium groundnut oil, manufacture high-quality groundnut cake, a by-product of the oil extraction process. Our groundnut cake is rich in protein, making it an ideal supplement for livestock feed and organic fertilizer. We take pride in utilizing sustainable practices throughout our manufacturing process, minimizing waste and maximizing efficiency to promote environmental stewardship.
