About Us

ASM Glass Recycling Company is a revolutionary force in the glass industry, established in 2024 by Mr. Arun Kumar. We're headquartered in the bustling Vellore, Tamil Nadu, and dedicated to providing comprehensive solutions for recycling and repurposing glass waste. Our vision? To redefine the future of glass sustainable practices.

recycling through

More than Recycling, We're Redefining

We're not just a recycling company; we're a leading exporter, and supplier offering a diverse range of products. From PET bottle scraps to cullet (crushed) glass and glass powder, our extensive portfolio caters to the needs of industries worldwide. We transform waste into valuable resources, minimizing the environmental impact and promoting the circular economy.

Innovation & Excellence

Our commitment to excellence shines in every aspect of our operations. We leverage cutting-edge technology and innovative processes to ensure the highest standards of quality and efficiency. Our passionate team of skilled professionals brings a wealth of expertise to every project. They meticulously ensure each product meets stringent quality control measures and exceeds customer expectations.

We prioritize building strong relationships with our customers. We understand their diverse needs and strive to exceed their expectations through exceptional service and products.

We are dedicated to creating a sustainable future for generations to come. By promoting responsible glass recycling, we contribute to a greener and healthier planet.
