Year of  
Establishment  
**2006**

Established in 2006, Fabtech Pharma has grown to be a leading manufacturer, supplier, and exporter of a comprehensive range of pharmaceutical processing equipment. We are headquartered in Mumbai, Maharashtra, and cater to clients across India and internationally.

At Fabtech Pharma, we understand the critical role that high-quality equipment plays in the pharmaceutical industry. Our commitment lies in providing our clients with innovative and reliable solutions to streamline their production processes and ensure consistent product quality.

Our diverse product portfolio encompasses a variety of equipment essential for various stages of pharmaceutical manufacturing. We offer Industrial Blenders for efficient and uniform mixing of dry powders and granulates. Our Rapid Mixer Granulators are designed for fast and effective granulation processes, ensuring optimal particle size and distribution.

For drying applications, we manufacture state-of-the-art Fluid Bed Dryers that utilize precise temperature and airflow control to achieve uniform and efficient drying of pharmaceutical products. Additionally, we offer Vibro Sifter Machines for accurate separation and grading of powders and granules, ensuring consistent particle size and quality control.

Furthermore, Fabtech Pharma caters to the specific needs of powder transfer with our Vacuum Powder Transfer System. This enclosed system ensures the safe and efficient transfer of powders, minimizing dust generation and product contamination.

We understand the importance of maintaining a clean and hygienic production environment. To address this need, Fabtech Pharma offers Water Trailer Tankers, ideal for various cleaning and sanitation applications within your facility.

Location : Worldwide  
Voltage : 440 V / 3 Phase  
Polish : Matt/ Mirror

## Vibro Sifter Machine

Business Type : Manufacturer, Exporter, Supplier  
Country of Origin : India  
Usage : Industrial  
Power : 1Kw-4 Kw/ 1Hp- 5 Hp  
Location : Worldwide  
Voltage : 440 V / 3 Phase  
Operating Type : Manual  
Material Of Construction : S.S 316/ S.S 304/ MS  
Polish : Matt/ Mirror

## Hydraulic Lifting Positioning Device

Business Type : Manufacturer, Exporter, Supplier  
Country of Origin : India  
Driven Type : Electric and Hydraulic  
Power : 1.5 Kw to 2.5 Kw / 2 Hp- 3 Hp  
Location : Worldwide  
Voltage : 440 V / 3 Phase  
Polish : Matt/ Mirror  
Material Of Construction : S.S 316/ S.S 304/ MS  
Automation Grade/ Operating Type : PLC with HMI/ Manual

## Battery Operated Hydraulic Lifting Trolley

Business Type : Manufacturer, Exporter, Supplier  
Country of Origin : India  
Usage : Industrial  
Specialties : Shiny Look, Easy Operate  
Location : Worldwide  
Load carrying capacity : up to 500Kg  
Minimum Lift Height : 90 to 100 mm  
Finish : 180 Grid Matt polish  
Polish : Matt/ Mirror

## Battery Operated Hydraulic Telescopic Stacker

Business Type : Manufacturer, Exporter, Supplier  
Country of Origin : India  
Material : Mild Steel  
Load carrying capacity : up to 250Kg  
Location : Worldwide  
Minimum Lift Height : 90 to 100 mm  
Polish : Matt/ Mirror  
Maximum Lift Height : UP to 3000 mm.  
Finish : 180 Grid Matt polish

## Vacuum Powder Transfer System

Business Type : Manufacturer, Exporter, Supplier
