

Ganpati Spintex

Ganpati Spintex, based in Panipat, Haryana, commenced operations in 2022 as a leading manufacturer, exporter, and supplier of premium yarn solutions. Helmed by Directors Mr. Shivam Mittal and Mr. Kush Garg, our company prides itself on delivering excellence in the textile industry.

About Us

Ganpati Spintex, based in Panipat, Haryana, commenced operations in 2022 as a leading manufacturer, exporter, and supplier of premium yarn solutions. Helmed by Directors Mr. Shivam Mittal and Mr. Kush Garg, our company prides itself on delivering excellence in the textile industry.

Specializing in a diverse array of yarn offerings, we cater to the dynamic needs of both domestic and international markets. Our extensive product range includes Cotton Yarns such as Carded Cotton Yarn, Combed Compact Cotton Yarn, and Open End Cotton Yarn, ensuring versatility and quality across applications.

Furthermore, we excel in producing Blended Yarns, presenting innovative combinations like Cotton Linen Yarn, Cotton Modal Yarn, Cotton Polyester Yarn, Cotton Tencel Yarn, and Micro Cotton Yarn, tailored to meet specific fabric requirements.

Additionally, Ganpati Spintex offers Value Added Yarns, including Carded TFO Yarn, Combed TFO Yarn, Dyed Yarn, Grindle Yarn, Solucell Yarn, and Zero Twist Yarn, incorporating advanced techniques to enhance functionality and appeal.

Committed to upholding stringent quality standards, our state-of-the-art manufacturing facilities and skilled workforce ensure consistency and reliability in every batch of yarn produced. We prioritize sustainability and ethical practices, striving to minimize environmental impact while promoting social responsibility.

With a customer-centric approach, Ganpati Spintex is dedicated to exceeding expectations and building lasting partnerships worldwide. Contact us today to discover our comprehensive range of premium yarn solutions crafted to elevate your textile endeavors.
