ABOUT US

Seema Blend Exports

Seema Blend Exports, established in 2024, is a Delhi-based company driven by a passion for quality and a mission to bring the finest Indian teas and spices to the world. Founded by Mr. Shubhneet, we are a trusted exporter, supplier, and trader, offering a delectable range of products that tantalize the taste buds and invigorate the senses.

At Seema Blend Exports, we take pride in sourcing our teas and spices directly from the heartland of India. Our Assam black CTC tea boasts a robust flavor, perfect for a strong morning cup or a quintessential afternoon pick-me-up. We also offer a selection of exquisite white, green, and organic Assam teas, each with its unique character and aroma.

For those seeking a touch of elegance, our Assam white tea is a true delight. Its delicate flavor profile and subtle floral notes are sure to captivate. Our green tea collection is a haven for health enthusiasts, brimming with antioxidants and boasting a refreshingly vegetal taste. And for those who appreciate a commitment to sustainable practices, our organic teas are cultivated using eco-friendly methods, ensuring the highest quality without compromising on environmental responsibility.

Beyond tea, Seema Blend Exports is your one-stop shop for invigorating spices. Our fresh lemon and ginger are meticulously sourced to retain their potency and vibrant flavors. Add a zest of citrus or a touch of ginger spice to your teas, culinary creations, or invigorating beverages – the possibilities are endless.
