Established in 1988 by Mr. Beta Samuel, Fortel is a leading Tanzanian company headquartered in Salaam. We proudly serve as a Manufacturer, Exporter, Supplier, and Distributor across a diverse range of products. Our commitment lies in connecting our valued customers with the resources they need, efficiently and reliably.

Fortel's extensive portfolio caters to a variety of industries. We are a trusted provider of agricultural commodities like Oil Black Pepper, Wheat, Pulses, Seeds, Refined White Sugar, and Cashew Nuts. We understand the importance of high-quality agricultural products and ensure our offerings meet the strictest standards.

Furthermore, Fortel plays a vital role in supplying essential industrial materials. We distribute N46 Urea Fertilizer Granules, Copper Wire, Caustic Soda Flakes, and Sodium Cyanide, supporting various industrial processes. Additionally, we supply Copper Cathode, a crucial component in electrical applications.

For those seeking precious metals and gemstones, Fortel offers Gold Bars and the stunning Tanzanite gemstone. We also cater to the construction sector by providing Used Rail Track Scrap, a sustainable and cost-effective solution.

At Fortel, we are dedicated to exceeding customer expectations. With a team of experienced professionals and a commitment to quality, we strive to build long-lasting partnerships.

Fortel is committed to providing our customers with high-quality products and services that consistently meet or exceed their expectations.
