Betheleden Agro Farmer Producer Company LTD is a professionally managed Private Limited Company engaged in manufacturing, supplying, and trading a premium range of health and wellness products across India. Established in 2023, the company is committed to delivering natural, nutritious, and high-quality products that support healthy living and daily wellness.

Our product portfolio includes Dehydrated Oyster Mushroom, Dry Oyster Mushroom Powder, Oyster Mushroom Capsules, Organic Moringa Leaf Powder, and Moringa Capsules. These products are processed with care using quality ingredients to maintain their nutritional value, purity, freshness, and effectiveness.

Under the leadership of Dr. V. I. David Ranjan, we continuously focus on quality, customer satisfaction, and ethical business practices. With a strong commitment to health-oriented products and reliable service, Betheleden Agro Farmer Producer Company LTD aims to become a trusted name in the wellness and agro-based products industry across India.
