Rajeshwar, a pioneering name in the realm of donkey milk and its derivatives. Founded in 2017 by Suresh Chaudhary, we are based in Surat, Gujarat, and have established ourselves as a prominent Manufacturer and Supplier of premium quality donkey milk, donkey milk powder, and donkey urine products.

Mission Our mission at Rajeshwar is to harness the natural benefits of donkey milk and urine through innovative processes that ensure the highest standards of quality and purity. We strive to deliver products that contribute to the well-being and health of our customers, promoting natural solutions for skincare and health enhancement.

Vision Driven by a vision to become a global leader in the donkey milk industry, Rajeshwar aims to expand its reach and influence, bringing the benefits of our products to consumers worldwide. We envision a future where our products are recognized for their efficacy and natural goodness, making a positive impact on people's lives everywhere.

Values At the core of Rajeshwar's operations are our deeply held values of integrity, quality, and customer satisfaction. We uphold the highest standards of ethical business practices, ensuring transparency and trust in everything we do. Quality is paramount in our production processes, where each product undergoes rigorous testing to meet stringent safety and efficacy standards. We are committed to exceeding customer expectations by offering exceptional products that deliver genuine benefits.
