Founded in 2024, Glanz Energie Technologies, situated in Tiruchirappalli, Tamil Nadu, stands as a prominent Manufacturer, Supplier, Exporter and Importer of a diverse range of air compressors and compressed air systems. Consistently executing under the visionary Mr. RS Kumar, our company is committed to delivering cutting-edge solutions to meet the evolving needs of various industries.

Our product portfolio boasts an extensive selection of air compressors tailored to cater to different applications and requirements. From Oil Free Reciprocating Air Compressors to Oil Injected Fixed Speed Screw Air Compressors, we offer solutions designed for reliability, efficiency, and performance. Our Single Stage Oil Injected Rotary Screw Air Compressors are renowned for their robustness, while our Oil Lubricated Reciprocating Air Compressors cater to heavy-duty industrial demands.

In addition, we specialize in Oil Free Single Stage Water Lubricating Air Compressors, Scroll Oil Free Air Compressors, Oil Injected Two Stage Rotary Screw Air Compressors, and Single Stage Oil Injected Low-Pressure Air Compressors. For high-volume air output with energy efficiency, our Centrifugal Compressors are the ideal choice.

Beyond manufacturing, we provide comprehensive compressed air system solutions, ensuring seamless integration and optimal performance for our clients' operations. Our dedicated team of engineers and technicians works tirelessly to uphold the highest quality standards, ensuring that each product meets and exceeds industry expectations.

At Glanz Energie Technologies, customer satisfaction is paramount. We pride ourselves on delivering personalized service and tailored solutions to meet the unique needs of every client. With a commitment to innovation and excellence, we aim to remain at the forefront of the compressed air technology industry, by regularly upgrading our cutting edge unit leading to driving forward progress and exceeding customer expectations.
