About Us

NBG Corporation is a distinguished name in the pharmaceutical industry, dedicated to exporting, supplying and trading top-quality pharmaceutical medicines globally. With a steadfast commitment to excellence, integrity, and innovation, we have emerged as a trusted partner for sourcing pharmaceutical products of the highest standards. We are working under the great guidance of our founder Mr. Nitin Natthuji Bhagwat and leading in this business domain.

Our Mission

Our mission is to facilitate access to life-saving medications worldwide by delivering pharmaceutical solutions of uncompromising quality, reliability, and affordability.

Core Values

- **Quality Assurance** : We adhere to stringent quality standards to ensure the safety and efficacy of all pharmaceutical products we export and trade.
- **Integrity** : Limpidity, honesty, and moral practices are the foundations of our operations.
- **Customer Satisfaction** : We prioritize the needs of our customers, striving to exceed their expectations through exceptional service and support.
- **Innovation** : We embrace innovation in all aspects of our business, continuously seeking new ways to improve processes and deliver value to our clients.
- **Global Responsibility** : We recognize our responsibility to contribute positively to global healthcare by promoting access to essential medications

Product Portfolio

We offer a comprehensive range of pharmaceutical products, including but not limited to: Anti Infection Medicines, Anti Anxiety Medicines, Anti Cancer Medicines, Anti Biotic Medicines etc.
