ABOUT US

Shree Swami International, situated in Mumbai, Maharashtra, commenced its journey in 2023 as a prominent supplier, exporter and trader of a diverse range of fresh vegetables, fruits, dry fruits, and spices. Founded by Mr. Siddhi Ambekar, the company has quickly established itself as a reliable name in the agricultural and food industry.

● Extensive Range

Our product range encompasses an extensive selection of fresh vegetables, including various types of onions, garlic, potatoes, and green chillies. We take pride in offering high-quality produce, sourced directly from trusted farmers and suppliers to ensure freshness and nutritional value.

● Our Commitment

In addition to vegetables, we also specialize in supplying a wide array of fresh fruits, ranging from bananas and grapes to mangoes. Our commitment to quality extends to our fruit selection, with a focus on providing premium-grade fruits that meet the highest standards of taste and freshness.

● Premium Quality

Furthermore, we cater to the demand for dry fruits, offering a range of almonds and cashew nuts in various forms and grades. Whether it's natural, organic, or premium quality, we strive to deliver dry fruits that are rich in flavor and nutrients. Additionally, we supply a variety of dry red chillies, including whole, stemless, and organic variants, meeting the diverse culinary needs of our customers. Our dry red chillies are sourced from renowned regions known for their exceptional quality and flavor. Moreover, we also provide fresh lemons in different grades and varieties, ensuring that our customers have access to top-quality citrus fruits for culinary and medicinal purposes.

● Customer Satisfaction

At Shree Swami International, we are committed to excellence in every aspect of our business, from sourcing and procurement to packaging and delivery. With a focus on customer satisfaction and product quality, we aim to continue growing and serving our clients with the finest agricultural products from India.
