About Us

Silver Electricals, your trusted partner for all your electrical needs. Established in 1989 by Mr. Rajakbhai Sulemanbhai Telwani, Silver Electricals has been a pillar of the electrical industry in Bhavnagar, Gujarat, for over three decades. As a leading supplier, retailer, wholesaler, and importer, we specialize in providing a comprehensive range of electrical products, including magnetic contactors, starter control panels, Terasaki TemBreak XH225NS circuit breakers, and L&T DT1 molded case circuit breakers.

Our mission at Silver Electricals is simple yet profound: to deliver top-quality electrical solutions that exceed the expectations of our customers. We strive to achieve this by offering a diverse range of products sourced from reputable manufacturers worldwide, ensuring reliability, efficiency, and durability in every purchase.

Our vision is to become the preferred choice for electrical solutions in Bhavnagar and beyond, recognized for our commitment to excellence, integrity, and customer satisfaction. We aspire to continuously innovate and adapt to the evolving needs of the industry, staying ahead of the curve and setting new standards of service and reliability.

At Silver Electricals, our values form the foundation of everything we do. Integrity is at the core of our operations, guiding us to uphold the highest ethical standards in all our dealings. We believe in transparency and honesty, building trust with our customers, suppliers, and stakeholders through open communication and accountability.

Customer-centricity is another key value that drives us. We prioritize the needs and preferences of our customers, striving to provide personalized solutions and exceptional service that consistently exceeds their expectations. Our goal is not just to meet customer needs but to anticipate them and exceed them at every opportunity.
