Our Products

Since its inception in **2001**, **Big Ideas Global** has been a pioneering force in the manufacturing, exporting, and supplying of a diverse range of industrial and household cleaning products. Founded by Mr. Sanjay Bumb Jain, our company is headquartered in Dewas, Madhya Pradesh, India, strategically located to serve both domestic and international markets.

At **Big Ideas Global**, we take pride in our commitment to quality, innovation, and customer satisfaction. Our extensive product line encompasses a wide array of essential cleaning and hygiene solutions, catering to various industries and households worldwide.

Our industrial thickener, liquid concentrates, and hand care products exemplify our dedication to developing high-performance formulations that meet the rigorous demands of modern industrial applications. Whether it's hand wash, hand sanitizer, or floor phenyl, our products are designed to deliver exceptional cleanliness and hygiene standards.

In addition to industrial solutions, we also specialize in household cleaning essentials, offering a comprehensive range of products such as glass cleaner, toilet cleaner, and floor cleaner. Our commitment to excellence extends to every aspect of our product offerings, ensuring that households everywhere can enjoy a clean and hygienic environment.

Moreover, we understand the importance of convenience and versatility in cleaning products. That's why we provide a range of complementary items like mixing machines, empty bottles, and car care products to facilitate seamless usage and application.
