## About Us

Based in Kolhapur, Maharashtra, Deepdurga Garment has emerged as a prominent manufacturer and supplier of high-quality loom cotton fabric and versatile canvas and cotton bags. We are dedicated to providing our customers with durable and sustainable textile solutions.

Established in 2020, our expertise lies in crafting loom cotton fabric in various GSM weights, catering to diverse needs and preferences. We offer 110 GSM, 140 GSM, 105 GSM, and 185 GSM options, ensuring the perfect balance of breathability, strength, and comfort. Additionally, we specialize in loom canvas fabric, known for its sturdy and long-lasting properties. Our 300 GSM and 245 GSM canvas fabrics are ideal for applications requiring exceptional durability.

Beyond the fabric itself, Deepdurga Garment takes pride in creating a range of stylish and functional bags. Our pure canvas bags are a popular choice, available in printed and unprinted styles with loop handle or chain bag options. We also offer semi-canvas bags, perfect for everyday use, featuring long handles, tote styles, and vibrant prints.

Our commitment extends to cotton bags as well. We provide a comprehensive selection, including long handle, plain, tote, drawstring, and shopping bags, all crafted from premium cotton. Whether you seek classic elegance or playful prints, our cotton bags cater to various preferences.

Initiated by Mr. Harsh Agarwal, Deepdurga Garment prioritizes quality and sustainability. We source the finest materials and utilize eco-friendly practices throughout our production process. Our dedication to ethical manufacturing ensures our products are not only durable but also responsible choices for the environment.

Deepdurga Garment stands as a reliable partner for individuals and businesses seeking high-quality loom cotton fabric and versatile canvas and cotton bags. We offer a diverse range of products, catering to various needs and aesthetics, while remaining committed to sustainable practices and exceptional customer service.
