Passion Level was established in the year 2020 in Churu, Rajasthan, India. We are manufacturer, exporter and supplier of men's half sleeves t-shirts, men's drop shoulders and a lot more. We at Passion Level believe that we understand fabrics and the science of manufacturing better than anybody else.

Quality is a top priority for Passion Level – be it in the selection of our machinery, the people we work with, the raw materials we use or the infrastructure we set up. Our team is as well aware of the demands of the garment manufacturing industry as it is about the latest trends in the fashion industry.

We are completely transparent in our dealings from the word go and provide seamless services along with quality products, making us one of the most sought-after manufacturers of garments across the globe.

People First Policy

We believe in upholding the dignity of our employees, and providing them what is rightfully theirs. We believe in providing fair wages and upholding their basic human rights.

Our Experience

- In business generations : Our years of Legacy in the Textile Industry across verticals have played a significant role in understanding processes, prioritising timelines and managing huge order quantities.
- We follow a Traditional approach using Modern Techniques : Having different viewpoints and a depth understanding of how each vertical of garment-making functions, we can easily adapt to changing trends.
