“Neelgagan” is a well-known brand of Haryana Traders Pvt. Ltd. which markets paper and plastic stationery products across India and most of the Subcontinent.

What started as a humble business by ‘Late Shri Gulal Chand Gupta’ bloomed into a brand that embodied quality, innovation, and user-friendliness.

Established in 1951, we are one of India’s oldest and most trusted brands. With seven decades of experience, we are now synonymous with the mark of excellence leading this market across the north part of this country.

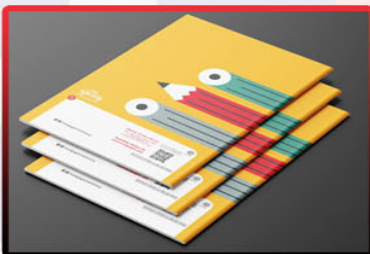

Based in Delhi and supported by a team of professionals and trained employees, we have a network of around 10,000 dealers and distributors spread across India, Nepal, Bhutan, and various Middle Eastern and African Countries. We can execute large or small orders within a stipulated time and adhere to the highest level of our quality.

Our wide range of products offers total school and office stationery solutions for corporate houses, educational institutions, and other individual customers.

Our team of expert professionals constantly endeavors to provide our customers with innovations and user-friendly products that make a perfect balance between quality, price, and environment.

Not only do we supply our products to distributors & dealers, but we also provide customized work for offices, schools, and private and Government Organizations like Kendriya Bhandar, Delhi University, Engineers India Limited, concerning Designs, thickness, quality, and size.

For us, our motto is our guiding light “Great Value, Great Products”
