About Us

MN SONS LAB SOLUTION
QUALITY WITH INTEGRITY

MN Sons Lab Solution was established in the year 2022 in Vadodara, Gujarat, India. We are a manufacturer and supplier of laboratory fume hoods, laboratory hoods and a lot more.

We are committed to delivering the best products and turnkey solutions to help create world-class lab spaces, and we are equally committed to supporting you in maintaining them throughout the life cycle of the lab.

We understand that the needs and applications of a lab space are dynamic, and to remain competitive, the space must respond to changes in technology with agility. We stand ready, unflinchingly, to help you evolve with your needs at all times.

MN Sons Lab Solution is the cradle of your scientific innovation. We aim to be true partners in bringing this vision to life. Long-Term Vision That Puts Your Interest First

We believe in optimizing our offerings to deliver long-term value and cost optimizations for our partners. We strive to minimize total ownership cost for our partners over the entire lifecycle of the lab – for this reason, we never compromise on safety, durability, and energy efficiency.

Safeguarding our innovators and creators of change is the topmost priority for the MN Sons Lab Solution team – from lab designers to the production team to installation and maintenance experts.

Sustainability is another long-standing value in our company. Our products are optimized for energy consumption and waste generation to serve your budget and help the environment at the same time.
