ABOUT US

The company Aviraj International was set up in 2018. We are a Ludhiana, Punjab, India-based organisation and are among the top hanger manufacturers, suppliers, and exporters in India. We specialise in Trailer Axle Hanger Sets, Industrial Hangers, Industrial Bushes, Industrial Heavy Vehicle Axles, Drop Jack Legs, Safety Chain Retainers, Trailer Light Boxes, Trailer Locks, Trailer Latch Pin Assembly, Tie Plates, and Mild Steel Tractor Trolley U Bolts.

The prime aim is to supply top-quality goods and satisfy the customers. It is significant for the company to provide quality products with renowned style and design. The organisation specialises in the design of the products, their storage, manufacture, supply, and export. Top-quality products with distinctive styles, looks, and colour combinations are made, and the finest quality stuff is guaranteed to the buyers.

Our Mission

We wish to become the strongest and most trustworthy brand in the hanger manufacturing business with honesty, absolute precision, and passion for innovation, and to retain the trust of clients in our products and services by always providing them with nothing but the best.”

Our Vision

“To bring persistently pioneering, eye-catching, and matchless designs and ideas in the arena of hanger manufacturing to revolutionize the routine of people across the world.”

Aviraj International is professionally managed by Mrs. Aman Laroya, who is the proprietor. she has years of experience and practice in the market.
