NATURE OF BUSINESS
Supplier, Exporter & Trader

At Sinesta Overseas, we are a leading provider of premium PVC (Polyvinyl Chloride) products, catering to a diverse array of industries and applications worldwide. Our focus lies in offering high-quality, durable, and cost-effective solutions that meet the specific needs of our clients. With extensive expertise in polymer technology, we are committed to delivering products that not only meet industry standards but also excel in performance and longevity. Whether it's for construction, automotive, packaging, or any other sector, our PVC products are designed to withstand demanding environments, ensuring reliability and long-term efficiency.

Innovation & Excellence

Founded in 2024, Sinesta Overseas operates under the expert guidance of Mr. Akshay Sarda, whose leadership and vision have been integral to our success. With a keen understanding of the evolving demands of the polymer industry, Mr. Sarda has steered the company towards innovation and excellence, ensuring that we remain at the forefront of the PVC market.

Extensive Range

Our product range includes a variety of PVC materials that are suitable for multiple applications, including pipes, fittings, sheets, and more. Each of our products is meticulously engineered to meet the highest quality standards, ensuring durability, flexibility, and safety. Additionally, we pride ourselves on offering tailored solutions, working closely with our clients to understand their unique requirements and delivering products that align with their specific needs.

Our Goal

At Sinesta Overseas, customer satisfaction is our top priority. We strive to provide not just products, but also exceptional service, offering prompt delivery and consistent after-sales support. Our goal is to build long-term partnerships with our clients by providing PVC solutions that drive value, efficiency, and sustainability. As we continue to grow, we remain dedicated to innovation, quality, and customer-focused service, ensuring that Sinesta Overseas is a trusted name in the global PVC market.
