*Year of
Establishment*

2007

Swakit Biotech Pvt. Ltd., a pioneering name in the realm of medical wear, crop care products, and innovative health solutions. Since our inception in 2007 by the visionary Dr. Shashikant Joshi, we have been dedicated to revolutionizing the industry landscape with our commitment to excellence and unwavering focus on customer satisfaction.

Based in the vibrant city of Bangalore, Karnataka, Swakit Biotech has emerged as a trusted manufacturer and supplier of a diverse range of products designed to enhance health, agriculture, and overall well-being. Our journey has been marked by a relentless pursuit of quality and innovation, driven by the passion to make a positive impact on society.

At Swakit Biotech, quality is not just a benchmark but a way of life. We adhere to stringent quality control measures at every stage of production, ensuring that each product that bears our name meets the highest standards of efficacy, safety, and reliability. From sourcing the finest raw materials to employing cutting-edge manufacturing techniques, we leave no stone unturned in our quest for perfection.

Our commitment to customer satisfaction is at the heart of everything we do. We believe in forging lasting relationships with our clients by understanding their unique needs and surpassing their expectations. Whether it's providing personalized assistance or offering tailored solutions, we strive to be more than just a supplier; we aim to be a trusted partner in our customers' success.
