Headquartered in Dar es Salaam, our company specializes in the manufacturing, exporting, and supplying of a diverse range of agricultural products, catering to both domestic and international markets.

ABOUT US

Established in **2000** by **Mr. Jakaya Kikwete**, Multain Agro Company has emerged as a prominent figure in the agricultural industry. Headquartered in Dar es Salaam, our company specializes in the manufacturing, exporting, and supplying of a diverse range of agricultural products, catering to both domestic and international markets.

Our mission at Multain Agro Company is to uphold our reputation as a reliable provider of high-quality agro products, consistently delivering value to our customers while fostering sustainable agricultural practices.

We are committed to enhancing food security and promoting economic growth in the regions we operate in.

Guided by our vision, we aspire to be a leading global player in the agro industry, recognized for our integrity, innovation, and commitment to excellence. We strive to expand our presence in international markets, forging strong partnerships and establishing ourselves as a trusted supplier of premium agricultural commodities.

At the core of our operations lie our values, which serve as the cornerstone of our business philosophy. Integrity is paramount in everything we do, as we believe in conducting our business with honesty, transparency, and fairness. We are dedicated to customer satisfaction, striving to exceed expectations by delivering products of uncompromising quality and value. Innovation drives our growth and competitiveness, as we continually explore new technologies and practices to optimize our processes and offerings. Additionally, we are committed to social responsibility, actively contributing to the welfare of communities and the environment.
