- 500 Grams
- 1 kgs

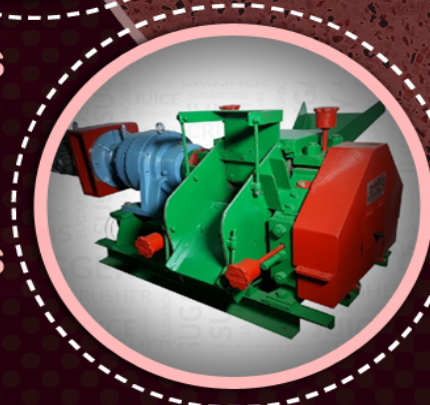

➤ SUGAR DRYER

- Automatic Sugar Dryer
- Industrial Sugar Dryer

➤ SUGARCANE CUTTING KNIVES

- Plastic Handle
- Wooden Handle

➤ SUGARCANE CUTTING KNIVES

- Plastic Handle
- Wooden Handle

Was constituted in the year of 1988 with a motive of providing efficient Sugar Centrifugal Machine, Hydraulic Jaw Crusher, Portable Digital Refractometer, Stone Crusher, Cane Carrier, Sugarcane Loader, Sugar Crystallizer, Bucket Elevator, Sugarcane Bagasse Dryer, Sugarcane Bud Chipper, Sugarcane Harvester, Sugarcane Cutting Knives, Sugarcane Grabber, Sugarcane Grader, Sugarcane Juice Boiling Pan and Sugarcane Leaf Stripper. With its dedication towards innovation and strong determination to achieve excellence, the company has emerged as one of the prime Manufacturers, Suppliers and Exporters of Sugarcane Processing Machines and Components, over the years.

Based in Gujarat, Rajkot, **Patel Manufacturing Company**, was started by **Mr. Alpesh Patel**. From the first day of the commencement, the company has been moving on the path of success under his guidance. Being a responsible Director of the company, he always makes assiduous efforts to explore ways in which company can benefit more clients in a better manner.

OUR TEAM

Our organization is supported by a team of dedicated personal. Workforce associated with us is well-versed with the organizational objectives and puts its heart and soul to achieve the same. Moreover, we ensure to keep them aware of emerging demands of the industry so that they can bring innovation in existing product-line.

MANUFACTURING UNIT

We have developed a sound manufacturing unit to execute production process in the most effective manner. Installed with high-end machinery and equipment, our unit facilitates precision and fast manufacturing of Sugarcane Processing Machines and Components. Owing to our advanced machinery, we are able to accomplish bulk production within minimal time frame with ease.

QUALITY ASSURANCE

Our valued clients can expect perfection from us as we are a professional and an experienced organization. The Sugarcane Processing Machines and Components are designed and developed using the best-grade metal incorporating the latest technology. Further, we supply only quality approved products so that we serve our clients in the best possible manner.
