Sankalpam Trading LLP, based in Chennai, Tamil Nadu, began its journey in 2024. We are a leading exporter, supplier, and trader specializing in a diverse range of millet seeds, millet-based products, and other health-focused food items. Our offerings include Sorghum Millet Seeds, Pearl Millet Seeds, Finger Millet Seeds, Kodo Millets Seeds, Foxtail Millet Seeds, Little Millet Seeds, Proso Millet Seeds, Millet Pasta, Millet Noodles, Moringa Leaves Powder, Banana Powder, and Fresh Cut Rose Flowers. At Sankalpam Trading LLP, we are committed to promoting the rich agricultural heritage of Tamil Nadu and are vocal for local, sourcing only from the best.

● Essential Nutrients

Millet is an ancient, nutrient-dense grain that has been cultivated for thousands of years, known for its rich fiber, vitamins, and mineral content. They are drought-resistant and packed with essential nutrients like fiber, protein, vitamins, and minerals, making them nutritious, versatile, and sustainably grown. Tamil Nadu is renowned for its agricultural prowess, producing a variety of staple and specialty crops. The state is the second-largest producer of Moringa and the fourth-largest producer of bananas and turmeric in India, ensuring the highest quality ingredients for our products.

● Our Mission

Driven by excellence, we leverage cutting-edge research and a deep understanding of global markets to provide tailored solutions. By prioritizing innovation, sustainability, and customer satisfaction, we aspire to establish Sankalpam Trading LLP as a leader in food trading, empowering India as a global culinary powerhouse. Our mission at Sankalpam Trading LLP is to cultivate, process, and deliver best-in-class millets and their products that embody India's culinary heritage. We aim to uplift 5,000 millet-cultivating farmers and expand our reach to 30 countries, encouraging a shift to healthier millet alternatives and promoting health.

● Our Vision

Our vision is to revolutionize the global food trading landscape by becoming the foremost provider of high-quality millets and other food products. We envision a future where the richness of Indian cuisine transcends borders, delighting palates worldwide while contributing significantly to India's economic prosperity. Through unwavering commitment to freshness, hygiene, and unparalleled service, we aspire to be the beacon of excellence in the food trading industry, fostering enduring partnerships and creating lasting value for our customers and the communities we serve.

● Our Quality

We are deeply involved in every step of the trade, from procurement to shipment, maintaining the highest quality standards. We provide transparency by offering videos, updates, and photos of our products to buyers, fostering confidence and trust. Our products are sourced from ethically maintained farms that view farming as a blessing from nature rather than a mere business.
