Shree Exporters, a 2024 venture headquartered in Cuttack, Odisha, is an enterprising supplier, exporter and trader bringing the best of Indian spices and food products to the global table. Led by the visionary Mr. Aditya Singh, Shree Exporters aspires to be your trusted partner in exploring the vibrant world of Indian spices and food products. We are passionate about sharing the culinary heritage of India with the world, one delicious ingredient at a time.

Our expansive range of cashews caters to every culinary desire. We offer whole raw cashews for the purist, alongside flavorful roasted and salted varieties. Broken and split cashews provide versatility for a variety of uses.

The vibrant world of whole spices unfolds at Shree Exporters. Explore the fiery spectrum of dried red chillies – popular Guntur, Byadgi, Kashmiri, Teja, and Reshampatti varieties, each offering a unique taste profile to elevate your dishes. We also source a premium selection of turmeric fingers, encompassing Lakadong, Nizamabad, Rajapuri, Sangli, and Salem.

Understanding the modern kitchen's need for convenience, Shree Exporters offers a range of meticulously ground spice powders. Our red chilli powder collection mirrors the variety of our whole dried red chillies, ensuring consistent flavor and heat levels. Similarly, our diverse turmeric powder selection reflects the rich origins of our premium turmeric fingers.

Beyond spices, we are a proud exporter of finger millet seeds and flour, a highly nutritious gluten-free grain gaining popularity worldwide. We also offer fresh ginger and ginger powder, adding a touch of warmth and depth to any creation. Finally, recognizing the value of byproducts, we include cashew nut shell in our export portfolio.

At Shree Exporters, exceptional quality and ethical sourcing practices are paramount. We collaborate closely with our partners to ensure our products are cultivated, harvested, and processed with the utmost care. This dedication extends to exceptional customer service, providing personalized attention and logistical support for a smooth experience.
