Our mission at Khodal Pipe is to provide reliable and durable CPVC piping solutions that exceed industry standards and meet the diverse needs of our customers.

About Us

Khodal Pipe, your trusted partner for high-quality CPVC piping solutions. Founded in 2002 by Mr. Kartik Togadiya, we are a leading manufacturer and supplier based in Ahmedabad, Gujarat, specializing in a wide range of CPVC fittings including elbows, tees, unions, sockets, adapters, and more.

Our mission at Khodal Pipe is to provide reliable and durable CPVC piping solutions

that exceed industry standards and meet the diverse needs of our customers. We are committed to delivering excellence in every aspect of our operations, from product design and manufacturing to customer service and support.

Driven by our vision to be the preferred choice for CPVC piping solutions, we continuously innovate and improve our products to stay ahead of market trends and technological advancements. We aim to be a trusted partner for our customers, offering them cost-effective solutions that enhance the efficiency and performance of their piping systems.

At Khodal Pipe, we uphold a set of core values that guide our business practices and decision-making processes. Integrity is at the forefront of everything we do, and we strive to maintain the highest ethical standards in our interactions with customers, suppliers, and employees. Quality is non-negotiable – we are dedicated to producing CPVC fittings of exceptional quality that meet or exceed customer expectations.

Customer satisfaction is paramount to us, and we go above and beyond to ensure that our customers receive superior products and unparalleled service. We listen to their needs, respond promptly to their inquiries, and provide technical support and guidance whenever required. Our goal is to build long-term partnerships based on trust, reliability, and mutual respect.
