Innovating Wellness, Inspiring Trust – Euromedix. Euromedix Healthcare, headquartered in Bangalore, Karnataka, is a leading manufacturer, exporter, and supplier of an extensive range of medical products including disposable surgical gowns, drapes, kits, protective apparel, and Instrumental drapes.

Established in 2023, we have rapidly become a prominent name in the healthcare sector, with the largest setup in South India, serving clients nationwide. Our comprehensive product portfolio is designed to support various specialties such as cardiac surgery, neurosurgery, orthopaedics, urocare, ophthalmology, general surgery, surgeon care, obstetrics, gynaecology, and personal care.

Euromedix, a Revelex Medtech brand, prides itself on its state-of-the-art manufacturing facility located in Chandapura, Hosur Road, Bangalore. This 4000 square feet ISO 13485 and GMP-certified facility operates under stringent cleanliness standards, including an ISO-8 grade cleanroom and a PLC-based ETO sterilizer, ensuring the highest quality and safety of our products.

Our production processes are backed by automated machinery and advanced systems from top global manufacturers in Japan, Germany, and Italy, adhering to rigorous quality assurance protocols. Additionally, we utilize specialized equipment such as needle detectors, air compressors, and peel-strength testing machines to ensure precision and consistency in our production.

Our mission is to pioneer the future of healthcare through affordable, innovative, and high-quality medical devices. We are committed to empowering health and enriching lives by providing cutting-edge, precise, and safe medical solutions that enhance patient well-being globally. Euromedix Healthcare's success is driven by a passionate and diverse team dedicated to excellence and patient care. Our vision is to make healthcare accessible to all through innovation and affordable excellence.

At the heart of our operations is a robust Quality Management System (QMS) that ensures compliance with ISO standards, meticulous risk management, supplier quality management, and continuous training and competency assessments. Our products undergo multiple quality checks, supported by specialized testing facilities and an uninterruptible power supply system, guaranteeing uninterrupted production. We maintain organized inventory management and efficient material handling in our dedicated storage areas, ensuring the highest standards of cleanliness and safety.

Our core values include patient-centric care, empathy, clinical excellence, innovation, accessibility, affordability, safety, integrity, teamwork, and community engagement. With support of dedicated team, Euromedix Healthcare continues to redefine health solutions, making a significant impact on the healthcare landscape through our innovative and high-quality life-saving medical devices.
