# ABOUT US

**Shivangi Foods**

Shivangi Foods provides superior quality herbs, spices, custom blends, and Rice Bran Oil to food service distributors. Shivangi Foods (An ISO 22000: 2018 Certified Company) is a part of SMC group, a leading conglomerate in central India with deep-rooted presence across infrastructure development, mining, real estate, food, and retail sector. We pride ourselves in sourcing products that our customers can use with confidence and trust. We believe in partnerships. SMC works to create tastier food every day in each kitchen and helps people feel good.

SMC is a locally owned company headquartered in Bilaspur (CG), India. We are committed to being outstanding in all we do. A supportive and healthy work environment is of paramount importance. Our values are reflected in how we treat our team members, with the average length of employment close to a decade. We believe in teamwork.

AAO KHUSHIYAAN PAROSE.....

## ● TEAM

As a certified business, we pride ourselves in supporting the diversity and inclusion of our workforce. We believe that human beings have universal and natural rights and status regardless of legal jurisdiction. We ensure that all employees have the best working conditions and are treated with respect and appreciation. Workplace training programs are designed, implemented, and updated with employee wellbeing and safety as the basis for success. Supporting a healthy work-life balance is crucial to productivity.

## ● SOURCING

At SMC, we value our supplier relationships. It is paramount to SMC that the raw materials we procure are the freshest, highest quality products available for our customers. We invest significant time and resources in systems designed to ensure that all products are totally safe for consumption. As part of this process, we audit our suppliers to make sure they meet stringent, industry-leading FSSAI standards in food safety, quality, and ethical employment practices.

## ● QUALITY

At SMC, Only the best is delivered to our customers following an extensive quality control process. This entails a process of maintaining food safety at a high standard. Our filtration process ensures that the raw materials received at our manufacturing plant go through multiple checks. Only the best quality, chemical free ingredients make the cut. All SMC products are manufactured to meet established specifications as well as to comply with FSSI and applicable food safety laws. All our employees provide the safest, highest quality products and services to our customers.
