# About Us

VM Oil, based in Tiruvallur, Tamil Nadu, is a prominent manufacturer and supplier of premium sesame seeds. Established in 2023 by Mr. R. Anandhan, the company has quickly garnered a reputation for its high-quality natural, black, brown, and white sesame seeds. VM Oil's commitment to quality and customer satisfaction is evident in every aspect of its operations.

Our natural sesame seeds are prized for their authentic taste and nutritional value, making them suitable for various culinary applications. Black sesame seeds, known for their rich flavor and high oil content, are a favorite in many traditional and modern recipes. Brown sesame seeds offer a unique nuttiness and texture, while white sesame seeds are versatile in both sweet and savory dishes.

VM Oil employs advanced processing techniques to ensure the highest standards of purity and quality. Our state-of-the-art facilities maintain the nutritional integrity of the seeds, ensuring they are free from contaminants. This meticulous attention to detail has earned us the trust and loyalty of our customers.

Under the leadership of Mr. R. Anandhan, VM Oil has developed strong relationships with local farmers, ensuring a steady supply of raw materials while supporting the agricultural community. Our commitment to sustainability and ethical practices is at the core of our operations, prioritizing eco-friendly methods to minimize our environmental footprint.

As we continue to grow, VM Oil remains dedicated to innovation, quality, and customer satisfaction, striving to become a leading name in the sesame seed industry.
