ABOUT US

Founded by Mr. Kachwaha and strategically located in the bustling city of Mumbai, Maharashtra, Pannani Tubes Private Limited has established itself as a leading exporter, supplier, and trader in the metals industry. With a commitment to quality and excellence, the company specializes in a diverse range of metal products, including metal sheets and plates, stainless steel pipes and bars, mild steel pipes, alloy steel seamless pipes, carbon steel pipes, and stainless steel bolts.

At Pannani Tubes, we understand the critical role that high-quality materials play in the success of various industrial applications. Our extensive inventory of metal products ensures that we can meet the precise needs of our clients, ranging from small-scale enterprises to large multinational corporations. We take pride in our ability to provide tailored solutions that align with the specific requirements of each project, ensuring optimal performance and durability.

Our stainless steel pipes and bars are renowned for their superior resistance to corrosion and excellent mechanical properties, making them ideal for use in harsh environments. The mild steel pipes we offer are celebrated for their versatility and cost-effectiveness, suitable for a wide array of applications. Additionally, our alloy steel seamless pipes and carbon steel pipes are engineered to withstand high pressure and extreme conditions, making them a preferred choice in demanding industries.

Pannani Tubes Private Limited's commitment to quality extends beyond our products. We adhere to stringent quality control measures and industry standards, ensuring that every item we supply meets the highest benchmarks of excellence. Our dedicated team of professionals is passionate about delivering exceptional service and support to our clients, fostering long-term relationships based on trust and reliability.

As a forward-thinking company, Pannani Tubes is constantly evolving to stay ahead of industry trends and technological advancements. Our mission is to continue providing innovative, high-quality metal products that empower our clients to achieve their goals. Whether you need metal sheets, pipes, bars, or bolts, Pannani Tubes Private Limited is your trusted partner for all your metal supply needs.
