# About Us

Haq Exports, established in 2024, is one of the more promising new companies based in Srinagar. We deal in the exports, supply and trading of high-grade agricultural products, engaged in bringing the rich flavours of Kashmir to the global market. Notwithstanding our being a comparatively new entrant, we have established ourselves quite fast as a trustworthy exporter and trader due to our concern for quality and authenticity.

## Our Products

We exclusively deal in high-quality products like Kashmiri Saffron, Kashmiri Red Chilli, and other specialities from this region. We directly procure our products from local farmers and they are known for their quality, rich aroma, and taste. We ensure that every product we export will meet the highest standards of purity and freshness.

## Commitment to Authenticity

At Haq Exports, much hard work goes into retaining the authenticity of the products from Kashmir. We closely follow up with our suppliers to ensure that the products they supply have traditional qualities so that our customers get a taste of Kashmir through this. Our dedication towards authenticity makes us different in the international market.

## Customer Satisfaction

Customer satisfaction is the keystone in our operations. We understand that we must deliver products on time and in perfect condition. At, we believe in rendering service of excellence and pursuing long-term relationships with our customers situated globally.

## Looking Ahead

Haq Exports envisions expanding outreach by bringing more of Kashmir's local products into the international market. Drawing exclusively on an ambitious vision, we are focused on quality and customer satisfaction, promoting those things that set Kashmir apart in flavours and traditions.
