SKIN CARE

Maadesh International was started in March 2024, committed to providing high-quality products at reasonable prices. We, as a premier export trading company, specialize in sourcing and distributing top-tier cosmetics and toiletries globally. Our dynamic management team blends extensive experience in the cosmetics industry with youthful energy and enthusiasm, ensuring prompt and balanced decision-making.

At Maadesh International, we are a team of techno-commercial experts with vast experience in international commerce. We pride ourselves on our ability to source the highest quality products from our manufacturing partners, ensuring that they meet international quality and packaging standards with hygiene and efficiency in mind and an eco-friendly work environment. Our administrative offices are equipped with the latest communication facilities and transportation to ensure seamless operations.

We offer a wide range of cosmetics and toiletries, including:

- Toothpaste (white, gel herbal, tartar control, soda bicarb, kids)
- Shaving cream/gel
- Shampoo & conditioner
- Hair relaxer cream
- Hair pomade
- Various cosmetics (fairness cream, skin lightening cream, moisturizing cold cream, body lotion, hair styling gel/cream, face wash, bath wash, complexion mask, and orange peel-off mask)

Our products are well-received both locally and in export markets. We provide private label and customization options to meet buyer requirements and specifications.

Manufacturers with a wide range of toothpaste and cosmetics are affiliated with us to stay ahead of industry trends. Our experienced employees and associates are always ready to meet new challenges, ensuring consistent growth through constant improvement and innovation.

VISION

To empower buyers globally with high quality, innovative cosmetics and toiletries, fostering growth and value for all stakeholders.

MISSION

Our mission is to provide our clients with superior products that combine quality and innovation, ensuring they receive exceptional value for their investment. At Maadesh International, we are dedicated to enhancing customer satisfaction and supporting our clients' success in the global market.
